

## ACKNOWLEDGMENTS

I wish to thank my wife, Diane, and children: Sarah, Debbie, John and Joseph for their great patience and also their encouragement during the lengthy course of this project. I confess my debt to the witness of my parents, Glen and Marian Gabel, and other Christian leaders and friends throughout the years who have helped prepare me for such an endeavor. I have been dependent upon the unselfish contributions of many Christian women and men who have enlarged my vision by reading and critiquing this work. I am profoundly grateful.
